

In case of an accident ...

STEP 1

Take a deep breath and stay focused.

STEP 2

Check yourself and all passengers for injuries.

STEP 5

Take a look at your surroundings and move the vehicle to a safe area if you can.

STEP 7

If possible, take photos of the scene (damage to vehicles, public property)

STEP 3

Call 911 if anyone is injured.

STEP 6

Gather information from other driver(s):

- Name
- Address
- Phone number
- License plate number,
- Car year, make and model
- Driver's insurance company
- Policy number
- Driver's license number

STEP 8

Contact your insurance company.

STEP 4

Contact law enforcement.
